

Virginia Lady Eagles Policy Regarding Bingo “No-Shows” and Late Arrivals

This document is the standard policy, set by the VLE Board of Directors, which each Team Manager will follow in response to bingo volunteer “no-shows” and late arrivals.

Each player must have at least one adult volunteer (parent or other family member) work all bingo sessions assigned to their player’s team. If a player’s adult volunteer cannot work a scheduled session, the adult volunteer is responsible for ensuring a legal substitution works in his/her stead. A legal substitution is a person who is on the VLE Bingo List.

If an adult volunteer does not show up to work an obligated bingo session without making prior arrangements with the Team Manager or Team Bingo Coordinator, and does not arrange for a legal, substitute worker the adult volunteer is considered a “no-show.”

The adult volunteer is expected to arrive at the bingo hall NO LATER THAN 12:00 PM. If the volunteer arrives later than 12:00 PM without making prior arrangements with the Team Manager or Team Bingo Coordinator, he/she is considered late. The volunteer is considered a “no-show” if he/she arrives two or more hours late (2:00 PM or later).

Team Managers shall enforce the following policy regarding bingo “no-shows.”

1. The first time a player’s adult volunteer is a no-show for a bingo session, the Team Manager will bench the player the entire first day of the next tournament played.
2. The second time a player’s adult volunteer is a no-show for a bingo session; the Team Manager will bench the player the entire next tournament played.
3. The third time a player’s adult volunteer is a no-show for a bingo session; the Team Manager will release the player from the team and the VLE organization. There will be no refund, in any part, of fees paid to the VLE organization by the player/adult volunteer.

Team Managers shall enforce the following policy regarding bingo late arrivals:

1. For each time an adult volunteer is late, the Team Manager will bench the player one game of the next tournament played.
